

## 2026 PREP Student Resource Scheme Information

Dear Parents and Carers,

Each year Coopers Plains State School offers a Student Resource Scheme. This is an arrangement that provides students with all the required books and stationery per year, per student. This amount can be paid in instalments over the course of the first 2 terms of 2026.

The Student Resource Scheme has many benefits to families:

- Saves time at the beginning of the school year
- Allows parents to access discounted prices through bulk purchasing
- Eliminates the possibility of forgotten or incorrect items
- Allows parents to spread the cost of school resources over the year
- Allows for consistency of resources for all students

This year the cost of the Student Resource Scheme for Prep is **\$80.00** per student. Please see the attached book list to view what is included in the Resource Scheme for your child. Alternatively, you can use this book list to supply your child with the items they will need for the school year.

Due to the increased cost in stationery items and the quality of the products from our providers, we have had to unfortunately pass this costing on to families. We endeavour to always keep the Student Resource Scheme as cost effective as possible.

By consenting to the Student Resource Scheme you agree to participate and pay the full listed amount by the conclusion of Term 2 of 2026. This participation agreement can be accessed via QParents under Consent Requests. Families with outstanding Resource Scheme payments from 2025 will not be able to participate until payments are made in full.

### What you need to do:

#### Prep Parents using the 2026 Student Resource Scheme:

- Consent to participate can be provided via QParents or by requesting a paper form from the school office.
- The SRS Participation Form is to be received at the office by the 1<sup>st</sup> December 2025.
- Invoices will be processed in January, with payments of **\$80.00** then due.

*Please submit separate Student Resource Scheme Participation forms for each of your children.*

#### Parents wanting to opt-out:

- Indicate "No" on the Student Resource Scheme Participation Consent form.
- Use the attached book list provided to purchase your child's 2026 school supplies by the start of school next year. Please make sure all items are **clearly named**.
